

Parents/Guardians

Due to the school closure, we have listed some suggestions to support your child's learning over the coming weeks.

1. Complete a project on the UK. Some helpful websites are www.primaryhomeworkhelp.co.uk and www.twinkl.co.uk (free access using code IRLTWINKLHELPS).

2. Use websites www.cula4.com/en/shows and duolingo to improve Gaeilge.

3. Use websites www.mathsplayground.com and <https://www.topmarks.co.uk/maths-games/hit-the-button> to improve tables and telling the time.

4. Read a book of choice. www.nessy.com also has free access this month. It has lots of activities to aid reading in English.

5. Complete a research project on ' My favourite _____ ' e.g. sport, hobby, book, author, animal etc.

Le gach dea-ghui,
