

Holy Family Senior School **Internet Acceptable Use Policy**

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. If the school's Acceptable Use Policy (AUP) is not adhered to this privilege will be withdrawn.

It is envisaged that school and parent representatives will revise the AUP on a regular basis especially as the internet changes and develops, and new implementation issues arise.

School Strategies

- The school will employ a number of strategies in order to maximize learning opportunities and reduce risks associated with the Internet. These strategies are as follows:
- Internet sessions will always be supervised by a teacher
- Filtering software and/or equivalent systems will be used in order to minimize the risk of exposure to inappropriate material.
- The teachers will monitor pupils' Internet usage.
- Students and teachers will be provided with information and Continuous Professional Development in the area of Internet safety.
- Uploading and downloading of non-approved software will not be permitted.
- Virus protection software will be used and updated on a regular basis.
- Students will observe good "netiquette" (i.e., etiquette on the Internet) at all times and will not undertake any actions that may bring the school or themselves into disrepute.

World Wide Web

- Students will use the Internet for educational purposes only. Students will not visit Internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.
- Students will be familiar with copyright issues relating to online learning.
- Students will never disclose or publicise personal information.
- Students will be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

E-mail

- Students will use approved class email accounts (if, and when created)under supervision by or permission from a teacher.
- Students will not send or receive any material that is illegal, obscene, and defamatory or that is intended to annoy or intimidate another person.
- Students will not reveal their own or other people's personal details, such as addresses or telephone numbers or pictures.
- Students will never arrange a face-to-face meeting with someone they only know through e-mails or the internet.
- Students will note that sending and receiving e-mail attachments is subject to permission from their teacher.

Internet Chat

- Students will only have access to chat rooms, discussion forums or other electronic communication forums, (if used) that have been approved by the school.
- Chat rooms, discussion forums and other electronic communication forums, (if used), will only be used for educational purposes and will always be supervised.
- Usernames will be used to avoid disclosure of identity.
- Face-to-face meetings with someone organised via Internet chat are forbidden.

Cyberbullying

- When using the internet pupils, parents and staff are expected to treat others with respect at all times.
- Engaging in online activities with the intention to harm, harass, or embarrass another pupil or member of staff is an unacceptable and absolutely prohibited behaviour, with serious consequences and sanctions for those involved.
- Measures are taken to ensure that staff and pupils are aware that bullying is defined as unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time. This definition includes cyber-bullying even when it happens outside the school or at night.
- Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and will be dealt with, as appropriate, in accordance with the school's code of behaviour.
- The prevention of cyber bullying is an integral part of the anti-bullying policy of our school.
- Further information is available in our Anti-Bullying Policy.

School Web Site

- Pupils will be given the opportunity to publish projects, artwork or school work on the school's website
- The publication of student work will be co-ordinated by their teacher.
- Pupil's work will appear in an educational context on Web pages with a copyright notice prohibiting the copying of such work without written permission from the school.
- Digital photographs, audio or video clips of individual students will not be published on the school web site. For the most part, photographs, audio and video clips will focus on group activities.
- Personal pupil information including home address and contact details will be omitted from school web pages.
- Pupils will continue to own copyright on any work published.
-
